Summary

Accomplished writer, editor, and podcast host with expertise in digital journalism, historical narratives, and long-form content.

Experience

Staff Writer

All That's Interesting • New York, NY (Remote)
07/2022 - 01/2026

- Produced daily news coverage on topics such as archaeology, science, crime, and history
- Authored hundreds of evergreen articles on a range of historical subjects including folklore and mythology, world history, technological innovations, and biographies of important figures
- Researched, scripted, and hosted the *History Uncovered* podcast and represented the show on an episode of Discovery Channel's *Expedition Files*
- Created short-form social media video content to accompany podcast episodes, viewed by hundreds of thousands
- Edited and updated old site content for modern practices/when new information became available
- Used multiple tools to restore and colorize historical photographs
- Optimized site content for search engines

Freelance Writer

Self Employed • Pittsburgh, PA (Remote)
01/2021 - 10/2022

- Pitched and authored dozens of articles for online publications such as *Discover Magazine*, *Giddy*, *Curious*, *Better Humans*, *The Writing Cooperative*, and more in various niches
 - Edited articles and oversaw site content for Cain Brands LLC, specifically *Roasty Coffee* and *Winning Homebrew*
 - Created interactive book summaries for the *Imprint* application
 - Covered a wide range of subjects including mental health, sexual health, history, design, coffee production, folklore, anthropology, video games, and local news
 - Interviewed experts in relevant fields to ensure accuracy of information and distilled complex information for general audiences
-
