PROFILE

Versatile digital creator with extensive experience in long-form journalism, daily news writing, podcast hosting, and multimedia content production. Published across high-traffic outlets including All That's Interesting (2.2M monthly visitors) and Discover Magazine, with a proven ability to research complex topics and translate them for broad audiences. Skilled in the full spectrum of modern content creation — from SEO-driven editorial to scripted audio storytelling and AI-assisted production tools.

EXPERIENCE

Staff Writer & Podcast Host

All That's Interesting *June 2022 – January 2026 · Remote*

- Produced over 1,100 articles across daily news, long-form evergreen features, biography profiles, historical explainers, and multimedia gallery posts for a publication drawing 2.2M monthly visitors.
- Scripted and hosted 110 episodes of the History Uncovered Podcast, reaching an estimated 20,000–40,000 listeners per episode.
- Expanded into multimedia production: edited social video clips for podcast promotion and used AI tools (Midjourney, Google Nano Banana, Adobe Photoshop) to colorize and restore historical photographs.
- Appeared on Discovery Channel's Expedition Files as an on-camera subject matter expert representing History Uncovered.
- Core beats: archaeology, science, odd news, mythology, technology history, and true crime.

Freelance Writer & Editor

Various Clients *2021 – 2022*

- Published feature health journalism in Discover Magazine on adult ADHD stigma and alcohol's long-term effects on sleep.
- Authored a book summary of Yuval Noah Harari's *Homo Deus* for Imprint, a major mobile learning platform.
- Contributed mental health, sexual health, and reproductive rights articles to Giddy; ghostwrote a full-length novel for a private client.
- Built a Medium presence with 101K+ views on a single ADHD article; a book cover design piece earned \$1,160 in lifetime revenue and 10,200+ claps.
- Editorial work for FFWD Dating and Cain Brands LLC (Roasty Coffee, Winning Homebrew).
