**WARNINGS:** Winning may result in some pretty serious side effects, like singing loudly, dancing uncontrollably, maybe even in the rain, or both dancing while singing in the rain. Wear a jacket, keep an umbrella handy, that's all we're saying.

**DISCLAIMERS:** Sage is not responsible for 1) Any slips, trips, or falls that may result from arms flailing while dancing, in the rain or otherwise, or 2) The loss of voice that usually follows raucous singing (especially when dancing, and then even more so if rain is involved).

**TERMS & EXCLUSIONS:** Entrants and prize winners are subject to our contagious good times, including the laughter that accompanies any of our events, the goofy happenings that surround our Sage swag, and the kind of delicious food that makes you want to stick around for hours. Sage & Family employees and their co-habitants (biped, quadruped, finned, or winged) are ineligible for these prizes and will just have to content themselves with the amazing everyday joy that comes with being a part of the Sage fam!

**CONDITIONS:** Your participation in Sage's St. Patrick's Day fun-ness is subject to Sage's contractual obligations with certain employers and must be compliant with your employer's ethics and entertainment policies.
