## 5 PRODUCTS THAT SMELL LIKE YOUR POSTPONED VACATION • by Sara Pollock

hold until 2021 and we're stuck at home for the foreseeable future doesn't mean you can't use a little imagination and envision laying on a Caribbean beach whilst being in your own backyard/shower/bedroom. Let these products that smell like vacation mentally transport you, sans airfare!

Sol De Janeiro

Clean Reserve

Solar Bloom

Whether you were dreaming of a crisp Mediterranean vineyard or a moonlight beach walk,

RESERVE's extensive range of classic, gender-neutral fragrances are intended to be layered,

the right fragrance can help evoke the mood and serve as a quick escape. CLEAN

so you can mix and match to your heart's desire/dream trip vibe. Bonus points for the

brand's sustainably sourced ingredients and eco-friendly packaging.

Is there anything more apt than Estée Lauder's Bronze Goddess range? There's a reason

includes whipped body cream, various different formations of bronzer, and a renowned

fragrance. I'd opt for their Shimmering Oil Spray For Hair & Body because we all love a

hour of Netflix of the day. No judgement here.

why it's one of the most sought after seasonal launches every year. The ever-growing range

Rituals

Happy Buddha Candle

Hands up if you're feeling lethargic looking at the same four walls! Whilst Rituals' Happy

Buddha Candle won't be able to change your scenery, it might just help to help to transport

your mind away from remote desktops and zoom meetings. The energising combination of

sweet orange and cedar wood will help boost energy levels and release you from your inner

rut.

filled with jojoba beads will slough away your dead skin cells and leave you smelling as

refreshing as a citrus-based cocktail. Perfection.
