

My Long Island Parks Near Modernized LIRR Stations

Find out how the LIRR is modernizing Long Island at AModernLI.com

My Park Info

Valley Stream LIRR Station

Valley Stream State Park is a day-use picnic facility. The park offers picnic areas with tables, fireplaces and grills; children's play areas; horse-shoe, volleyball, basketball, ball fields, nature trails and cross-country ski trails.

Baldwin LIRR Station

Millburn Pond Park is a beautiful eight-acre setting for a half-mile stroll around Millburn Pond and relaxation on one of the benches along the banks of the pond.

Hicksville LIRR Station

Cantiague Park is a sports-lovers dream! The park has an indoor **swimming pool**, five lighted tennis courts, three lighted basketball courts, a nine-hole golf course, 18 holes of miniature golf and an ice rink.

Babylon LIRR Station

Robert Moses State Park is one of Long Island's best-loved beaches and accessible from Babylon Station by bus. It's the perfect spot for boogie-boarding, picnicking, **surfing**, swimming...and tanning.

East Hampton LIRR Station

East Hampton Village Nature Trail & Wildlife Sanctuary is a quiet, shaded 28-acre haven for wildlife. Come walk winding forest trails and commune with **ducks** and turtles - bring plenty of poultry feed.

Westbury LIRR Station

Eisenhower Park is one of New York State's largest public spaces, larger than Central Park! The park offers swimming, **golf**, dozens of athletic fields and courts, picnic areas, summertime entertainment, playgrounds and fitness trails.

Deer Park LIRR Station

Edgewood Oak Brush Plains Preserve welcomes visitors with 813 wooded acres, perfect for **hiking** and mountain biking. The preserve is home to several types of warblers, red-tailed hawks, eastern cottontail, red fox and hognose snakes.

Wantagh LIRR Station

Twin Lakes Preserve is a 58-acre preserve with five fresh water ponds, fresh water wetlands and transitional stage woodlands. Activities in this picturesque and serene setting include bird watching and **fishing**.
