Dear <<preferred>>,

Congratulations on your admission to the University of Missouri! We can't wait for you to make it official by enrolling at Mizzou.

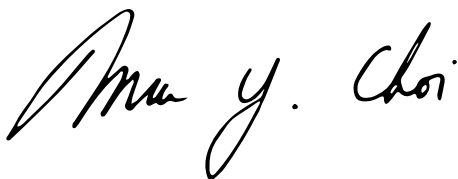

Once on campus, you will join one of America's leading research universities where the focus is on you—the student. You'll live and learn with peers from a wide array of backgrounds, experiences and perspectives in a supportive community dedicated to your success. Getting involved is easy with our more than 600 recognized student organizations, along with incredible opportunities for studying abroad, undergraduate research and internships. Famous for hosting the first Homecoming, we also offer some of the country's best traditions, along with winning SEC athletics and meaningful engagement throughout Missouri as part of our flagship, land-grant mission.

College affordability is one of our top priorities. We are recognized as the #7 best value among all flagships by U.S. News & World Report. Time magazine ranked us the #13 Best College for Future Leaders among public universities, and more than 95% of new graduates have successful career outcomes within six months. They join our more than 362,500 global alumni who can vouch for the return on investment you will receive with a Mizzou degree.

Our campus is in beautiful Columbia, Missouri, which Travel & Leisure Magazine ranked as one of the 25 best college towns in the country. While at Mizzou, our exceptional students work alongside distinguished faculty in classrooms, laboratories, studios and clinics. These collaborations directly benefit communities throughout the state and lead to innovations that impact the world.

As Tigers, we greet each other with an M-I-Z! We look forward to hearing you say Z-O-U! when you choose Mizzou.

Sincerely,

Mun Y. Choi, Ph.D.

*President, University of Missouri*
