## BOOK RECS

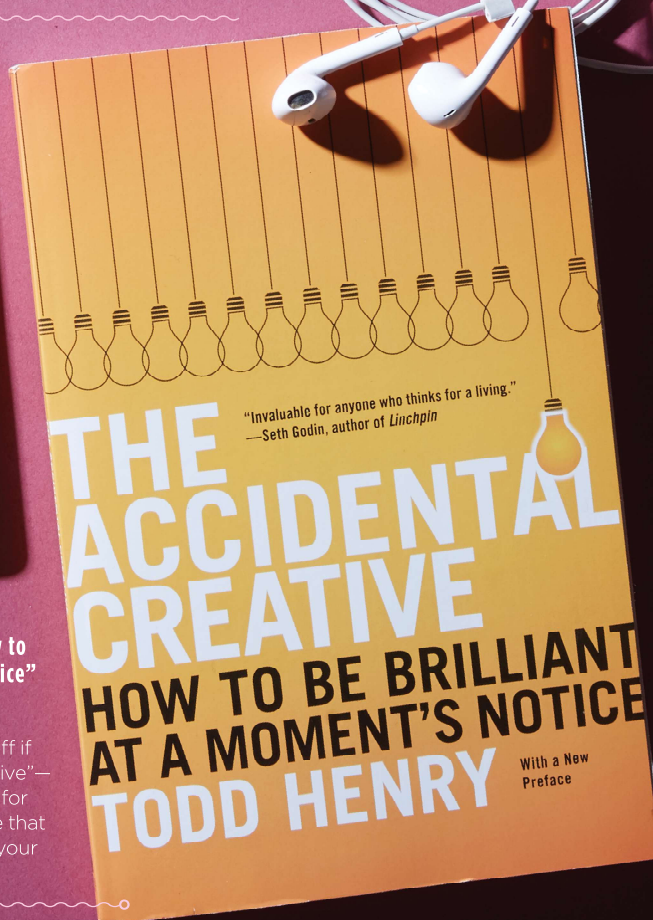

Paperback, audiobook or e-reader—no matter the format, the following books are an inspiring read (or listen).

BY MORGAN HALASKA

**“The Power of Moments: Why Certain Experiences Have Extraordinary Impact”**  
by Chip Heath & Dan Heath

“Stop fixing potholes and start building peaks.” The Heath brothers’ book dissects positive moments and demonstrates how to construct them.

**“The Accidental Creative: How to Be Brilliant at a Moment’s Notice”**  
by Todd Henry

Don’t let the title scare you off if you don’t identify as a “creative”—this book has practical ways for everyone to build a structure that fosters creativity, no matter your job title.

**“Setting the Table: The Transforming Power of Hospitality in Business”**  
by Danny Meyer

Meyer shares the secret to his success and how his Enlightened Hospitality philosophy is applicable outside a restaurant.
