# WELCOME Friends

WE'RE HAPPY  
YOU'RE HERE

YOU'VE LIKELY NOTICED THAT THINGS ARE DIFFERENT AROUND HERE. THE COMFORT AND SAFETY OF OUR PATRONS AND STAFF ARE OF THE UTMOST IMPORTANCE TO US.

## HERE'S WHAT WE'RE DOING TO ENSURE A POSITIVE EXPERIENCE:

- YOU'RE SITTING OUTSIDE, EVEN IF YOU DIDN'T ASK FOR OUTDOOR SEATING
- TABLES ARE SPACED 6-FEET APART
- YOU'RE IN THE COMPANY OF 49, AT MOST, OTHER PATRONS
- HAND SANITIZER IS LOCATED AT EVERY TABLE AND AT STATIONS THROUGHOUT OUR SPACE
- MENUS ARE AVAILABLE VIA QR CODES
- STAFF (AND MAYBE YOU) ARE WEARING FACE COVERINGS

It feels, and certainly looks, like a new world. But look past the changes and you'll see that your go-to choices are still on the menu and our servers are still friendly behind their masks.

It's always been our goal to take care of your needs, so please do not hesitate to let us know if you have questions or concerns.

Cheers!

Management
