PRESENTED IN JAPANESE WITH ENGLISH SUBTITLES

Join us for a one night only event as Sentai Filmworks presents an action adventure unlike any other with the latest edition in the *Is it Wrong to Pick up Girls in a Dungeon?* saga: *Arrow of the Orion!*

**6PM – DUBBED Version**

**8PM – SUBTITLED Version**

In the city of Orario, beneath an impossibly tall tower, lies the dungeon. Only adventurers who form partnerships with the gods themselves have any hope of defeating the monsters that lie within. But the dungeon is not the only place where monsters exist. Far from Orario, in the ruins of an ancient city, a new threat arises. To counter this threat, the goddess Artemis has come to Orario in search of a champion—but it's not Ais Wallenstein (the legendary Sword Princess) nor Ottar (the strongest warrior to ever enter the dungeon) that she chooses. Rather it is Bell Cranel, a newbie adventurer partnered with a low-tier goddess.

**Please note the 6:00pm screening will be presented as the DUBBED version of the film, and the 8:00pm screening will be presented as the SUBTITLED version of the film.**
