

# CASSANDRO, THE EXOTICO!

(Cassandro, El Exótico)

DIRECTED BY MARIE LOSIER | FRANCE | 2018 | COLOR | 73 MINUTES | **NR**

Come revel in pure charisma and acrobatics as we present a full week run of Marie Losier's intimate portrait of a wrestling legend—**Cassandro, the Exotico!**

After 26 years of spinning dives and flying uppercuts in the ring, Cassandro, the star of the gender-bending cross-dressing Mexican wrestlers known as the Exoticos, is far from retiring. But with dozens of broken bones and metal pins in his body, he must now reinvent himself.

**"Texas-born 48-year-old Cassandro is thoroughly engaging, and filmmaker Marie Losier follows him intimately, creating a gently observant portrait of an outrageous man."** — Rich Kline, [Shadows on the Wall](#)

**"It's a moving and sometimes amusing portrait of grit and glitter overcoming adversity . . ."** — Jordan Mintzer, [Hollywood Reporter](#)

**"Losier captures all the camp of such a larger than life figure, but underneath all the pageantry and breathtaking maneuvers off the top rope is a sustained note of mental and physical pain."** — Chris Shields, [Screen Slate](#)
