

# LUCIO FULCI'S THE BEYOND

DIRECTED BY LUCIO FULCI | ITALY | 1981 | COLOR | 87 MINUTES | 

PRESENTED IN ENGLISH

From legendary Italian horror master Lucio Fulci comes the ultimate classic of supernatural terror, *The Beyond!*

A remote hotel, built over one of seven gateways to hell, becomes a malevolent yawning abyss that devours the bodies and the souls of all who enter. A graphic frenzy of gory crucifixions, chunkblowing chain-whippings, throat-shredding demon dogs and more follows as the gate opens and the dead walk the earth.

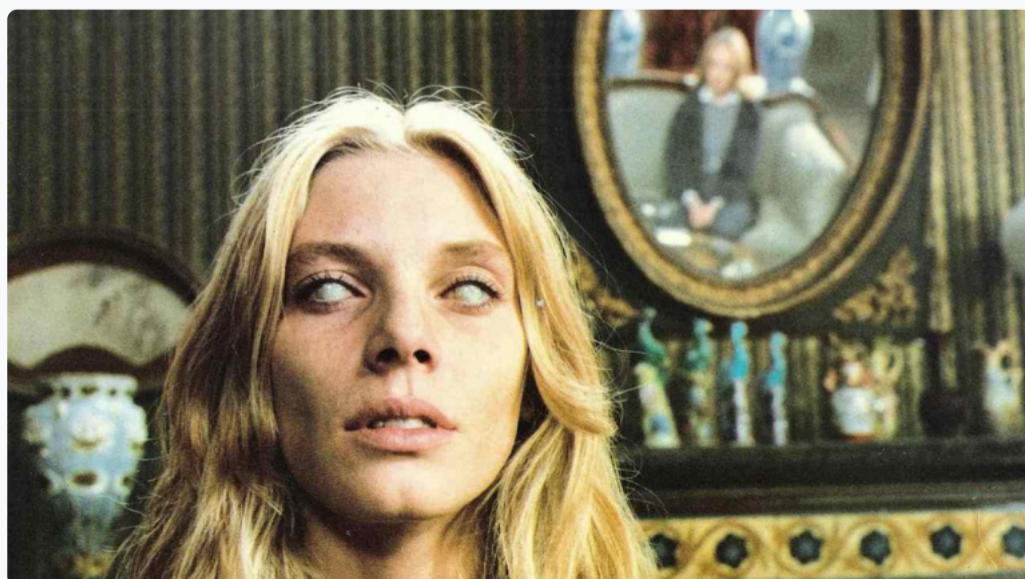

Both hair-rising and mind-bending, *The Beyond* is a towering achievement of cinematic horror.

**"Fulci took conventional horror stories, added extreme and colorful gore, and combined them with the artiness of Federico Fellini's films. Throw in the zombies from George Romero's 1968 *Night of the Living Dead*, and you have Fulci's *The Beyond*."** — Jeffrey M. Anderson, [Combustible Celluloid](#)

**"This is Fulci's world, bizarre and twisted, and one isn't supposed to question it, it enthusiastically embrace it. There is something to be said about the music in *The Beyond* as well. Fabio Frizzi's score is dark, intense, and genuinely creepy."** — Dr. Svet Atanosov, [Blu-Ray.com](#)

**"*The Beyond* features plenty of Fulci's trademark graphic gore, including the notorious crucifixion scene and a *Scanners*-style head explosion, perpetrated on a young child, no less. Suffice to say, it is not a film for the squeamish."** — Jim Harper, [Electric Sheep Magazine](#)

Cinzia Monreale in *The Beyond*.
