Just use the code **Goatober22** at the checkout. T&CS: Limited to single use and a single pack. Offer valid until 31st October 2022.

The Why

A new Cabritan?

Everyone has their 'why', and ours is to help put the UK goat dairy industry on a more sustainable pathway by ensuring all the Billy goats go into the food system. It helps that they taste pretty darn good too. In fact sustainability is at the heart of all we do from our Woolcool packaging to the couriers we use.
