

Everything you need to build the practice you want

SimplePractice Customer
Dr. Lornee A. Johnson, PhD, LMFT

When you upgrade to the Plus plan you'll unlock more features to enable you to grow your practice. Gain access to some of our premium features and tools that keep up with all that you do—all while simplifying your admin work and streamlining your business.

Once upgraded, you will automatically have access to the new features.

Upgrade now

Premium features include

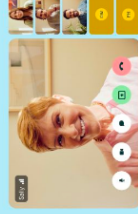

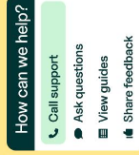

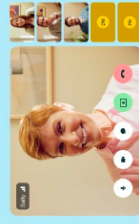

Advanced calendar sync

Fully integrate your calendars so personal events show on your SimplePractice calendar.

Calendar color-coding

Stay on top of your schedule by assigning colors to appointments based on status, clinician, or service code.

Group appointments and group telehealth

Quickly create group telehealth appointments, document notes, and bill clients for sessions with up to 15 participants.

Premium support phone line

Access a new dedicated phone line so you can connect with a live Customer Success specialist to get help when you need it most.
