

BRANDING

OPAL HOUSE ESTHETICS

OUR VISION

Business cards serve as compact, tangible representations of your professional identity, providing essential contact information and conveying your brand image leaving a lasting impression on your client.

Our collaborative goal for your rebranded business cards were to convey a luxurious, high-quality look while reflecting you as a business owner and brand.

Focus: Black, Lavender & Luxury Minimalist

FEEDBACK

LET'S CONNECT!

To move forward please provide me with feedback on the designs you like, what about them works or doesn't and what needs improving on to move forward with finalizing a final design.
