What is a “Grabvocate”?

When we say 'Grab life with both hands' we mean it. And you can help spread that message by joining in and becoming a **Grabvocate**.

"A what?" we hear you say! Grabvocates are ambassadors of Grab's workplace, culture and employer brand. They represent us as a team and live our values every day.

They embody our identity, shout about our success, and invite other life enthusiasts along for the ride.

And, we've got a lot to shout about at Grab!

By becoming a **Grabvocate** you'll get to spread the word about the great things happening at Grab, with people who might one day join us.

Come together, be yourself
