The Cat Journal

LORI E. KIRSTEIN

Your mission, should you choose to accept it, is to go deep undercover and meet yourself where no one else can see you.

As you plumb the depths of your conversation, you will be gifted with insights and inspirations. It will then be your choice to bring these gifts back to the surface - to share them, or not; to live their revealed truths, or not.

You have been chosen for this mission because you are suited for it, and it has been waiting for you for a very long time.
