EXPERIENCE

NEWS PRODUCER

August 2025 - Present

Fox 32 Chicago

- Quickly acclimated to company processes and objectives to produce compelling weekday morning newscasts
- Collaborated with colleagues and managers to successfully resolve workflow challenges

WRITER/SEGMENT PRODUCER

September 2021 - November 2024

Scripps News

- Synthesized complex information to deliver accurate and compelling content for consumer, business and economy-focused show, "Main & Wall"
- Worked closely with managers to balance assignments in order to deliver high-quality stories and meet hourly deadlines
- Built A-F block intros, wrote teases and managed graphics production for 60-minute, hypervisual explanatory news magazine, "The Why"
- Pitched, researched and produced long-form segments, with top-notch experts, and explanatory packages for "The Why"

NEWS CONTENT PRODUCER

November 2020 - August 2021

NBC Chicago

- Wrote 6-12 general news scripts and edited all related media for morning newscasts
- Monitored wires for breaking news and current events
- Addressed workflow management issues on the overnight schedule; result was improved performance to deliver clear, accurate, and creative stories in a deadline driven environment

NEWS PRODUCER

May 2018 - October 2020

WXMI Fox 17 News

- Line produced, wrote and copyedited scripts, assigned stories and led control room production for 60-minute nightside newscast
- Researched, pitched, produced, shot and edited features on communities of color
- Conducted field interviews for community segments and breaking news

MEDIA INTERN

September 2015 - May 2018

MSU Communications & Brand Strategy

- Orchestrated field shoots and interviews, and produced content for MSUToday, the campus' digital news hub
- Curated institutional social media and brand content to drive audience engagement
