Rhody Inno took to the airwaves.

New Market Editor Courtney Gabrielson (that's me) joined Cox Business Vice President Ross Nelson and [Rhode Island Business Plan](#) Co-Chair (and shareholder at Kahn, Litwin, Renza & Co., Ltd.) Anthony Mangiarelli as guests on [The John Loughlin Show](#) this past Saturday (that's Oct. 21 for you future readers).

The subject? All things Rhode Island tech and startup, with a particular focus on the state's startup ecosystem, its resources and the local talent that makes it shine. We also discussed the outcome of the [#GetStartedRI pitch competition](#), as well as opportunities burgeoning entrepreneurs have to start and scale their startup in the Ocean State.

If you missed the segment, worry not: We've got it below for your listening pleasure.

Have your own thoughts about the Rhody tech ecosystem? [Tweet us](#) or [pitch us](#). We'd love to hear from you.
