

JOIN US: WOMEN EMPOWERED

Join us for an informational session on our newest employee resource group, Women Empowered.

You've seen several communications about Women Empowered (WE) lately, but maybe you still have some questions about what it is. You're in luck! WE is holding an educational seminar on Friday, March 18 at 10 a.m. MT, which will provide associates with the opportunity to learn more about WE and WE initiatives in your area.

Use the attached calendar item to add this event to your schedule or use the WebEx information below to join the call on Friday.
