PROFESSIONAL EXPERIENCE

NCAD Representative to Enterprise Ireland- Internship

November 2023 - March 2024

- Represented the international population of students at NCAD to Enterprise Ireland and Education in Ireland
- Was responsible for creating social media content about my experiences living in Ireland and my life as a design student at NCAD
- Had my work recognised at a nation-wide ceremony

St.James's Hospital- Internship

May 2024 - September 2024

- Worked with St. James's Hospital to complete my MSc Thesis surrounding patient information and education regarding Long-Term Care
- Responsible for coordinating and conducting multiple interviews across multiple teams within the hospital
- Worked closely with the departments across the hospital to coordinate information and outcomes
- Developed and branded a finished leaflet for patient engagement and a working prototype of a website for family member information
- Currently sourcing funding to scale the project

Freelance Work

October 2024 - Current

- Founded my own design consultancy to complete freelance projects alongside clients
- Services including service and product design, wireframe prototyping of web design, graphic design and branding, design for print and typography, and illustration and artwork
- Responsible for managing my own business and working alongside clients to develop their desired design outcomes
