Your Retirement Village in Hilton

Modern country living

Life at Garlington Village

At Garlington Village, you'll discover a secure country lifestyle, with 60 hectares of open space, birding tours, a heated indoor swimming pool, tennis courts, a driving range, an upmarket restaurant and bar and plenty social activities.

Welcome to Garlington Village

A life worth living, at any age

As we mature in life, we inevitably need a setting which supports our lifestyle and needs. Garlington Village's Assisted Living Apartments and frail care facility, Garlick House, provides seniors with everything needed to live life well. The Village is set in the highly sought-after Garlington Estate in Hilton KZN, and offers secure, modern country living, world-class care and resort-style amenities.

Designed with you in mind

Each apartment includes:

- Spacious bedroom with en-suite bathroom
- Open-plan living and dining area with kitchenette
- Emergency panic button
- Veranda and small garden
- Internet access
- Access to care and support at the level required, covered by a monthly Assisted Living Levy

World-class care

Garlick House High Care

Founded on the principles of the Green House Projects and Eden Alternative, you'll find a home at the forefront of international trends and standards. Garlick House is unique in its intimate, home-like atmosphere with no rigid rules, where activities and relationships are smooth and flowing. The open-plan kitchen, dining and living area allows residents to socialise, connect and be included. Residents are involved in everyday activities of Village life and are welcomed into the broader community.

Garlick House includes:

- 10 luxury rooms available to rent each with private en suite bathroom
- 24-hour care and assistance
- Clinic facilities with registered nurses
- Open-plan kitchen, dining and living area for residents
- Sunlit verandahs with easy access to the Heritage Rose Garden
- Internet access

Caring for life

Assisted Living & Frail Care Services

The monthly Assisted Living Levy provides our residents with highly individualised care including:

- Daily visits by a resident nurse with a nurse on standby 24-hours
- Access to short-term or long-term care, should this be required
- State of the art response system
- A comprehensive clinic and medication management service
- Involvement in activities and entertainment
- Daily 3-course lunchtime meal, cleaning and laundry

The following frail care services are provided to Garlick House residents and are included in the monthly rental:

- 24-hour tailored nursing care
- 24-hour full assistance with daily activities
- Meals, laundry and cleaning services
- Medical check-ups, comprehensive clinic facilities and medication management
- Activities and entertainment
- State of the art response system

My wife and I enjoy our daily walks on the estate among grazing cattle, horses, reedbuck, impala and a variety of birdlife. I also (not very successfully) get to work on my golf swing on the driving range provided. The atmosphere among the people living in the Village is congenial and the guards who deliver my daily newspaper are friendly and helpful.
