## Your new home for entrepreneurship and enterprise

Looking to sharpen your skills in entrepreneurship, build your confidence and launch a business? Start your journey with STEAMhouse Pre-Incubator.

The new STEAMhouse Pre-Incubator, located in Millennium Point, is a space where students and graduates can find all the facilities, support and advice they need to become confident, skilled entrepreneurs.

- Access to hands-on support, workshops, knowledge and advice
- Take part in our invaluable entrepreneurship programmes
- Free use of desk space, meeting rooms and cutting-edge technology
- Long-term support to make your business idea a reality
