7:05 AT&T jeffsyblik.com

A vibrant graphic for World Music Day. It features a central globe with the text "World Music Day" and "June 21, 2022" overlaid. Surrounding the globe are various musical instruments and silhouettes: a purple and pink saxophone, a black silhouette of a person playing a stringed instrument, a brown double bass, a red and white keyboard, a black and white piano, a green and red guitar, and a brown and gold drum set. The background is a blue and green abstract pattern.
