

Hi there,

The second half of our **joint webinar series with Texthelp** starts next week. As next week is also Dyslexia Awareness Week one of our webinars will feature Texthelp's Complete Group Product Specialist, Phil Burgin, who will discuss his lived experience of dyslexia.

On Wednesday next week Learning Labs' **Michelle Brown** and **Haris Nadeem** will be joined by **Louise Martini (Read&Write)**. Then on Thursday they will be joined, once again, by **Phil Burgin** to showcase the latest features of **Global AutoCorrect**.

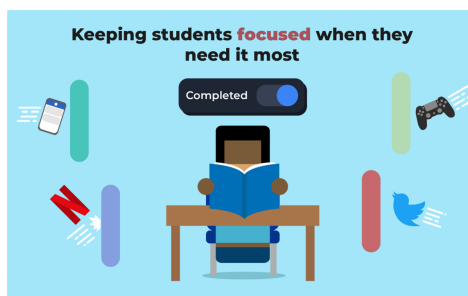

Dyslexia Awareness Week webinar

Click to book: Tuesday 4th October 11:00am

Learning Labs and Read&Write joint webinar

Click to book: Wednesday 5th October 2:00pm

Learning Labs and Global AutoCorrect joint webinar

Click to book: Thursday 6th October 12:00pm

Why should I attend?

- **Join in** on an engaging and enjoyable webinar with other education professionals.
- **Gain an insight** into lived experiences of dyslexia.
- **Learn** about the latest features of Learning Labs, Read&Write and Global AutoCorrect and see first-hand how they can benefit students.
- **Enjoy** a live Q&A session with Texthelp and Learning Labs.
- **Take away** a CPD certificate for your records and a free licence for the software of the webinar you attend.
