

ABOUT MISSION ZOOM

Mission Zoom is a 501(c)(3) that represents a partnership between the Dominican Republic and North America. MZ began in 2018 when a group of Dominican and North American Christians recognized that there was a need to serve Jesus Christ and others on the island of Hispaniola. This small team of people formed Mission Zoom in an effort to meet those needs. Mission Zoom exists to make disciples by **ENGAGING** the Culture, **EMPOWERING** the Individual, & **EXEMPLIFYING** Christ.
