PRESIDENT SANDEEN & INSPIRING STUDENT RESEARCH

Wednesday, May 26, 2021

1:00 - 2:00 PM Pacific Time, a Virtual Event

Join President Cathy Sandeen for this exclusive Zoom event for Heritage Society members and learn about remarkable student research experiences, the types of faculty-mentored academic experiences that inspire deep learning and new careers. Award-winning associate professor Jenny O will give you an inside view of one of the university's treasures, the Center for Student Research (CSR), and share highlights of student work from the recent research symposium.

This special event is designed especially for members of Cal State East Bay's Heritage Society, which honors the university's generous legacy donors.
