

#### FEDERAL CANDIDATES SOCIAL MEDIA POSTS:

- .@ReverendWarnock's resounding victory in GA is the exclamation point on a historic night for Georgia Dems.

DFA is thrilled by tonight's results and we're eager to help Warnock finish the job and win this Senate seat for progressives everywhere.

- NC was one of DFA's priority states this cycle, and we're so excited about the outcome of Cheri Beasley's race.
- We need truth-tellers and movement leaders like @AyannaPressley @RashidaTlaib @ilhanMN and @aoc in Congress now more than ever. Tonight we celebrate the OG Squad member's victories and tomorrow we continue to fight alongside them for change.
- Dark money groups and corporate-funded PACs tried to buy this election because they're afraid of what @SummerForPA represents: a diverse, progressive Democratic party that is accountable to voters, not wealthy donors.

Lee's victory is a bright light for voters that want people-powered champions representing them in Congress.

- This. Is. Big.

@Annette\_Taddeo just flipped a seat that Democrats haven't held in nearly a decade. No stranger to tough fights, Annette will help progressives tackle gridlock in D.C. and deliver for Americans.

- Congrats to @MaxwellFrostFL on a well-deserved victory!

Voters didn't select Frost just because he would be the first Gen-Z member of Congress, they picked him because he's not beholden to the same tired, broken politics of the past.

- Boom. @katieporteroc (and her magic whiteboard, too!) is going back to Congress.

This win is a testament to the coalition Rep. Porter has built, and the role that progressive leaders are playing in flipping and keeping former Republican strongholds blue.

- .@JamaalBowmanNY's triumph tonight officially sends the trailblazing, progressive coalition he used to defeat a 30+ year establishment politician to Washington.
