

# Lyndon B. Johnson Public Affairs School: DC Concentration

## Fast-Tracking Federal Policy Careers

An immersive 15-month course of accelerated study and work focused on both domestic and international federal policy making

The LBJ DC Concentration aims to transform their fellows into the DC policy workforce an entire semester earlier than traditional programs.

## ABOUT

- Offered through the LBJ Washington Center
- DC Concentration gives master's students opportunity to work in the nation's capital while simultaneously earning a public policy graduate degree
- Tier 1 research university
- Operates as integrated track within LBJ School's traditional MPAff and MGPS degree programs
