

To Whom It May Concern:

Madi has been one of my employees at Tupelo Honey Café for the last 4 years, where she was one of our hosts. As a host, Madi is one of the first people you see upon entering our restaurant, and having her there assured us that the start of the guest experience was always going to be a positive one. Madi is personable and friendly, and the prime example of what you want in an employee – a team player, a great trainer, and someone you can truly always count on to be there and get the job done exactly as it should be.

Madi always demonstrated great communication skills, and is not afraid to ask a question when she may be unsure of herself. Along with that, she was always ready with backup plan to ensure that no matter what, the task at hand will get done and our guests needs will always come first.

Madi was such an asset to our team, and I know she would be a tremendous addition to wherever she applies herself. She will always have my highest recommendation, and if you have any further questions, please do not hesitate to contact me.

Sincerely,

Sarah Nieves
