## Profile

A dedicated, hardworking, and proactive Data Analyst with a passion for leveraging technical expertise to drive meaningful impact for individuals and organizations. Continuously expanding skill set to contribute to the success of data-driven initiatives.

## Work Experience

**Nov. 2024 –Current**

**Senior Data Analytics Engineer | GB Corp**

- Developed and enforced data governance policies across departments, ensuring compliance with GDPR and industry standards, improving data security and quality.
- Built and presented KPI dashboards and monthly reports, leading to actionable insights and improved business performance.
- Designed and implemented data quality processes and ETL pipelines using Python, SQL, and Power BI to maintain data accuracy, consistency, and reliability across business units.
- Led data acquisition efforts from APIs, external providers, web scraping and Power Automate to ensure data availability for analysis.
- Led training programs to enhance data literacy, empower employees, and align teams with data-driven goals.
- Oversaw the development of data warehouses, processing pipelines, and a synergy hub to enable seamless data sharing and analytics across business units.
- Facilitated collaboration between master data domains, external providers, and internal departments (IT, finance, marketing, operations) to align data strategies with business goals, enhancing analytics and driving insights.
- Maintained comprehensive documentation of data processes, ensuring transparency, compliance with governance standards, and alignment with privacy regulations.

**March. 2021 – Oct.2024**

**Data Analyst | Cairo 3A**

- Established and implemented data analysis procedures using Excel, Power BI, SQL, and Tableau to extract insights from large datasets and identify trends.
- Utilized Power BI and Tableau for visualization, creating dashboards and models that link data across sectors, providing strategic insights for senior management.
- Developed key performance indicators (KPIs) and reporting structures to enable effective tracking of progress and performance.
- Delivered actionable data insights through collaboration with business stakeholders to meet their reporting needs and enhance analysis.
- Resolved data inconsistencies, developed new models, and created reports to ensure accurate tracking and improved decision-making.
- Conducted comprehensive training sessions on Microsoft Excel and Power BI for data analysis.

## Education

Jan.2025 – In Progress	Pre-Master Diploma in Data Science, Faculty of Graduate Studies for Statistical Research, Cairo University
April.2024–Sep.2024	Certified Data Analyst Professional Diploma, Epsilon AI
Sep.2016 –May.2020	Bachelor of Agricultural Engineering, Cairo University Final Grade: Very Good

## Certificates

- 1- Certified Data Analyst– “Data Camp” “[Certification](#)” [03/05/2025]
- 2- Certified Power BI Data Analyst Associate – “Microsoft” “[Certification](#)” [31/01/2025]
- 3- Certified Data Analyst Associate– “Data Camp” “[Certification](#)” [08/09/2024]

## Courses

- 1- Data Analyst in Tableau – “Data Camp” “42 Hours” [ 11/01/2024]
- 2- Data Analyst in SQL – “Data Camp” “39 Hours” [ 20/12/2023]
- 3- Data Analyst in Power BI – “Data Camp” “48 Hours” [ 02/08/2023]
- 4- Google Business Intelligence Professional Certificate – “Coursera” [ 09/05/2023]
- 5- MongoDB for SQL Experts – “MongoDB University” [ 08/05/2023]
- 6- Google Data Analytics Professional Certificate – “Coursera” [ 06/03/2023]
- 7- SQL (Intermediate) Certificate – “Hacker Rank” [ 26/01/2023]
- 8- SQL For Data Analysis – “Udacity” [ 21/07/2022]
- 9- Data Analysis Professional Track Nanodegree – “Udacity Nanodegree” [ 27/04/2022]

## Skills

<b>Technical skills:</b>	SQL - Excel – Power BI – Tableau – Python – R – Statistical Analysis- Google Sheets – Looker Studio - DAX Language – Power Query – ETL Process - Statistics & Probability - Data Base Systems - Data Warehouse – MongoDB – Web Scraping –Sentiment Analysis – Financial Analytics – Ad Hoc Analytics – Business Analytics – CRM Analytics – SMEs Analytics – Marketing Analytics.
<b>Interpersonal skills:</b>	Communication Skills – Presentation Skills – Leadership and teamwork – Curiosity - Story Telling - Problem Solving - Agile Project Management.

## Languages

**English:** B2

**French:** A1

**Arabic:** Mother Tongue

## Extracurricular Activities

- Led Online Session on Introduction to Data Analysis– "FA Model " [29/09/2024] “[Link](#)”
- Led Online Session on Introduction to Data Analysis and Excel Pivot Tables Workshop – "Quality Room" [20/09/2024] “[Link](#)”
- Led Offline Session on Introduction to Data Analysis and Excel Pivot Tables Workshop – "Quality Room" [06/09/2024]
- First place in the Effective Presentation Competition. (2018/2019) – Faculty of agriculture [ 20/04/2019]
- Organizer at 2nd JOB & INTERNSHIP FAIR at Cairo University [ 22/04/2018 – 23/04/2018]
- Member at the Faculty of Agriculture students Union [ 2017 – 2018]
