## SUMMARY

I am a motivated, resourceful and results-oriented person who thrives in demanding situations, willing to take on and learn from the most challenging opportunities. As a continuous learner, collaborating with others is something I truly value as I grow personally and professionally every day. I value and respect others, holding myself to the highest standards as I strive to be an effective leader. I am excited to take the next step in my career to continue learning and growing both personally and professionally.
