Emergency Action Plan

Inclement Weather Plan: Monitoring Weather will be monitored by a variety of devices. These include WeatherBug Streamer RT System, stadium staff, radios, television, police dispatch and computer webcast. **Communication:** Stadium staff will keep game officials and spectators up to date on changing weather conditions. Officials will call the game/event if weather conditions warrant. If the game/event is delayed, fans will be notified by public address to evacuate to the designated facilities and vehicles. If the game/event is called, a public-address message will be made asking everyone to leave the premises. Teams will report to the locker rooms until they are told to vacate. During sporting events in which lightening is nearby band members, cheerleaders, and drill teams will be sent back to school transportation. Law enforcement officers and stadium administration will assist in the evacuation of the stadium. If officials and Athletic Director agree that it is safe to resume, fans will be allowed to enter for the remainder of the game without ticket or penalty for the remainder of the game **Exit/Gates When:** area is in a severe weather condition, extra gates will be opened so that the area on the bottom floor of the press box is available for shelter. This will be done at the direction of the Stadium Administration.

Designated Shelter Area if severe weather: (tornado, hail, heavy winds, lightening, etc.) is in close proximity to stadium, spectators and others not in locker rooms will be directed to take shelter in their vehicles, the Killeen High School Gym (home side) or the Athletic Warehouse (visitor side). During a tornado, this will include individuals located in the press box. Inclement Weather Evacuation/Shelter Routes see Appendix B

Emergency Evacuation (non-weather): If an emergency is identified either through the alarm system or some other means of communication, the Stadium Manager will determine if evacuation is necessary. When an emergency is identified, Stadium Manager will use the following forms of communication to direct action. If the Stadium Manager is not on site, his designee will assume this role

Fire or Fire Alarm Activation:

- The stadium announcer will notify the Stadium Manager
- Go to fire alarm panel and determine location of activated device
- Dispatch staff member to verify emergency
- Dispatch staff to open gates
- Dispatch security to assigned stations to standby for possible crowd control evacuation
- Communicate with spectators and participants that there has been an alarm activated and to listen for further instructions
- Begin evacuation Page 9 of 19
- Notify emergency responders of situation
- Stadium staff should provide assistance to those in wheelchairs and others requiring special assistance safely out of the venue
- Stadium staff should notify the Stadium Manager via radio that all floors of press box, stadium seating, restrooms, stadium concourse and field has been cleared and successfully evacuated
- When fire department/EMS respond to emergency and set up incident command site Police Commander will report to this command post. Individual will use radio to keep Stadium Manager informed of events
- Emergency diagrams will be posted under the stadium and in the restrooms.
