

Taking Care of Bishop O'Connell Now and in the Future

Charitable Giving Opportunities

Bishop O'Connell High School offers a total quality educational experience at a reasonable price that includes a strong curriculum, a full spiritual life, co-curricular activities, and a dedicated and talented faculty. The quality of our education comes with a price.

We seek your support for:

- Enhanced programs and services for our students
- Professional development for faculty and staff
- Financial aid and tuition assistance for qualified students
- Improved technology for students and faculty

Ways you can support O'Connell's mission:

- Give generously to the Annual Fund each year.
- Support an individual major gift opportunity.
- Support the O'Connell Scholarship Program.
- Make a planned gift with O'Connell.

Bishop O'Connell High School

Taking Care of What We Have . . .

Taking Care of Our Students . . .

...By providing academic, extracurricular and spiritual programs that challenge and involve each student to grow from the inside out.

Taking Care of Our Families . . .

...By harnessing resources to ensure that a Bishop O'Connell education is within the financial reach of our community.

Taking Care of Our Faculty . . .

... By offering improved salaries, stipends and benefits, along with additional opportunities for professional growth to keep us competitive.

Taking Care of Our Facility . . .

...By implementing planned maintenance activities, building renovations, technology improvements and energy conservation programs that address the needs of an aging infrastructure.

. . . While Building a Dream

Our Academic Dreams involve . . .

- ...The shift towards a teaching style that more fully engages each student in an integrated and technology infused curriculum.
- ...The creation and expansion of programs that address study and reading skills development and better support the needs of all students who learn in a variety of styles and paces.

Our Spiritual Dreams include . . .

- ...Enhanced opportunities for overnight retreats, community service and youth group activities.

Our Support Service Dreams contain . . .

- ...Added personnel for counseling, psychological services, community service coordination and reading instruction.
- ...Plans to develop an advisory system to provide every child with an adult advocate in the building to ensure that no student ever falls through the cracks.

Our Extracurricular Dreams plan for . . .

- ...New intramural activities to involve each student in an after school activity.

Our Facilities Dreams incorporate . . .

- ...The construction of new and remodeled facilities for the Arts, Sciences and Athletics.
- ...The placement of the tools of technology and communication in the hands of every teacher and learner in the building.
