# Grant Based Programs

## Other Federal Grants

### Community Development Block Grants (CDBG)

#### Mobile Kids Meals

Mobile Kids Meals provides evening snacks and dinner meals to school aged youth, 4-18 years of age Monday-Friday from January 2018 to June 2018. The program incorporates tutoring/home-work assistance, athletics, fitness and recreational activities. This program supports the Recreation Centers, afternoon activities at schools and the 6 TO SIX aftercare program. The program will not operate during city observed holidays. This program is supported by the Child and Adult Care Food Program (CACFP) under the auspices of the Virginia Department of Health.

#### Senior Transportation

The Senior Transportation program provides transportation to Portsmouth seniors daily, to and from the Senior Station (3500 Clifford Street) for activities and socialization. In addition, there is transportation to medical appointments, pharmacies, business appointments (bank, post office, social security office etc.), monthly grocery shopping, sick/shut-in visits, bereavement services, cultural events and to special Senior programs in other Hampton Roads cities. Many of our seniors would not otherwise be able to meet these needs due to inadequate transportation. This is an ongoing program, however space is limited and services are offered on a first come first served basis.

#### Youth Leadership Development

This is a mentoring and empowerment program for families. The program will support students from elementary to senior year and graduation. It is intended to increase the number of youth that graduate from high school and increase parental involvement in school matters related to their children. The program will also seek to decrease the number of children involved in criminal behaviors by redirecting the families to more constructive programs or events. Parents must register their child(ren) for participation in this program.

### Child and Adult Care Food Program (CACFP) Kids Meals

The Child and Adult Care Food Program (CACFP) provides the funding that allows for the purchase of the food for the Mobile Kids Meals program. The program is under the auspices of the United States Department of Agriculture (USDA) and is administered through the Virginia Department of Health (VDH).

#### Health and Wellness

The Health and Wellness program serves youth ages 4-17 and seniors using traditional and trend style fitness activities to get participants to be more active. The program focuses on the problem of childhood obesity through aerobics, yoga for kids, Zumba for kids, sports drills, fitness boot camp, obstacle courses and motor skills drills. The Surgeon General's report on Physical Activity and Health recommends that children aged 6 years and older participate in activities for muscle strength and endurance. The Health and Wellness program will offer activities targeted towards addressing issues of physical fitness and proper nutrition. Parents must complete a waiver form for their child(ren) to participate in this program.

**For information** on any of these programs please call Michelle L. Eady 757-393-8481.

**Dates:** May 12  
June 9  
**Time:** 8:00am (sharp!)

Join us early, every second Saturday of the month, to take a stroll around Lake Ballard and beyond with local birding experts. We'll identify birds in the area by sight and sound before the preserve opens to the public. Bring binoculars or spotting scope for best viewing.

Gates will open at 7:30am and check-in will occur at Hoffler Creek's Headquarters before the walk. Late arrivals cannot be accommodated and gates will close promptly at 8:10am.

This walk is free but a small donation is encouraged to help us continue providing similar programming.

## Kayaking at Hoffler Creek:

Whether you were born with sea legs or you've never been on a boat before, Hoffler Creek has a kayaking activity suited to you this season. Situated at the northeastern border of the city, Hoffler Creek is also the last tributary of the James River before it meets with others to meet Hampton Roads. This placement offers scenic views of multiple waterways and the natural landscape maintained by the preserve that are even better when seen from the water.

Kayaks are available for rent each week from 10-2:30, Tuesday through Sunday (weather permitting). Rentals range from \$15-25 with kayaks that seat 1-3 people and we'll show you what to do even if you've never done it before. Special rates for groups of up to 14 people are available. Some conditions apply to rental rates so call us for more info at 757.686.8684.

Want some coaching first? A list of upcoming kayak training classes for beginner/intermediate paddlers is available at [www.hofflercreek.org/events](http://www.hofflercreek.org/events).

Or, if you're looking for something a little more special, join us for one of our guided paddle tours. Tag along with staff or experienced volunteers for a fun and informative experience. We'll offer a series of guided paddles all season long including:

- **Early Bird Paddle:** catch the wildlife and waterfowl along the creek before the gates even open to the public
- **Sunset Paddles:** enjoy a leisurely paddle in late afternoon/evening wrapping up with a scenic view of the sunset over the MMBT
- **Moonlit Paddles:** paddle by moonlight only before sharing s'mores at our learning center

Guided paddles usually last for about 2 hours, require advance registration, and range from \$20-45 per person. See [www.hofflercreek.org/events](http://www.hofflercreek.org/events) for a list of all upcoming paddles.
