

Healthcare Guidance Made Simple for Your Independent Workforce

As a company working with **1099 contractors**, you know how hard it can be to **support your workforce** without the structure of traditional benefits.

That's where we step in.

We help bridge that gap with trusted **ACA & Medicare support** tailored to your contractors—whether they're new hires, going through life changes, or simply unsure of where to begin.

Your On-Demand Benefits Partner

Offer your team something powerful

- Peace of mind
- Personalized health coverage guidance
- A simple, no-cost solution that adds value to your workforce

Make Onboarding
Smoother. Enhance
Retention. Offer True Value.

Personalized onboarding
consultations for every new
contractor

Hands-on support during
qualifying life events and a
dedicated phone line for your
team

Education & navigation of ACA
subsidies and Medicare
enrollment

Designed for Employers

- Boosts retention & satisfaction
- Reduces turnover due to lack of benefits
- Eases the burden on HR or admin
- Shows you care—without cost or complexity

KEYSTONE
ADVISORS

Strengthening Employers.
Supporting Contractors.
Delivering Peace of Mind.

Healthcare Guidance Made
Simple for Your
Independent Workforce

Your people deserve the best.

Life Happens. We're Ready.

 Pregnancy or a growing family

 Loss of job-based insurance or transitions in work

 Relocation to a new zip code, state, or county

You may qualify for:

- ACA plans with lower monthly costs
- Subsidies you didn't know you could receive Medicare Advantage plans tailored to your needs

Real People. Real Help. Real Coverage.

We help you receive plans built around:

- Diabetes, COPD, heart conditions, or ongoing care
- Prescription needs and specialist access
- Your family's size, location, and current income

Your health deserves the same hustle you give your work.

 Let's Talk – It's Free.
