Disney's Encanto Story

The new Disney hit film "Encanto" is breaking billboard records. The song "We Don't Talk About Bruno" is going down in Disney history. It became the second highest charting Disney Animation track in Hot 100 History, surpassing Let It Go from Frozen. The top spot to beat is "A Whole New World" from the classic film, Aladdin. Encanto's soundtrack sits at Number One on the Billboard 200 albums chart for the second week in a row. Once again, Disney Animation takes over the billboard charts.
