- Interviewing skills
- Project management
- Digital design
- Keyword optimization
- SEO proficiency
- Independent work ethic

EXPERIENCE

FREELANCE WRITER

Various

June 2024 - Present

Dynamically pitched and undertook writing assignments in accordance with industry trends and SEO best practices. Created prompt feature, listicle, and review content from focused research, interviews, and press release information.

QUALITY ASSURANCE TESTER

Cloud Imperium Games Ltd.

March 2023 - September 2023

Within this role I oversaw my own independent and collaborative work. This work extended from creative bug-finding to structured JIRA report writing towards meeting ever-changing Quality Assurance needs of the company. QA work was focused on multiple projects simultaneously. Most notably, the concurrent expansion and maintenance of MMO Star Citizen and FPS Flight Sim Squadron 42.

ASSISTANT MANAGER

Game Retail Ltd.

August 2022 - February 2023

I oversaw the structure and supervision of store staff, while also reinforcing in-store adherence to constantly evolving regulatory and creative criteria. Continual interaction with the customer base of the store was adapted when necessary, and business goals were reinforced in every conversation.
