England will play Ireland in a four-day Test match next July in what will be the first meeting between the two sides in the format.

The match, which will take place at Lord's from July 24 to July 27, will be England's final Test before the Ashes begin with Australia visiting Edgbaston on August 1.

The Test against Ireland will also take place ten days after the end of the Cricket World Cup, which will be hosted by England.
