An honor to be nominated

We are incredibly proud of the casts, crews, and creative teams of both productions. To be recognized by so many prestigious organizations is truly humbling, and we have all of you to share in the celebrations with—our families, investors, and friends.

But at the end of the day, as exciting as all this recognition might be, we'll leave it to the most Tony-nominated performer of all time to put it all into [perspective](#). After all, she knows what this means more than anyone:

The **78th Annual Tony Awards** will be held at **Radio City Music Hall** on **Sunday, June 8, 2025**, broadcasting **live on CBS** and streaming on **Paramount+**.

Thank you for continuing to be a part of this journey!

More soon,
