These are the most important to-do's as you start planning.

by Sarah Fine · Updated Mar 22, 2022

Allow us to be the first to say it: engagement looks so good on you. Your first few weeks post-proposal are sure to be a whirlwind of excitement, but it's also time to get down to

Soak in the moment

business. Once you've shared the good news with your nearest and dearest and made

your grand social media announcement (#ringselfie, anyone?), here's what to prioritize

it. Make sure you're covered by insuring your ring with a provider that specializes in jewelry, like <u>Jewelers Mutual Group</u> (they've been protecting rings and other priceless pieces for over 100 years!).

4. Schedule an engagement

photo shoot

It's so much more than just another piece of jewelry, and you're going to want to protect

If your ring fits from the get-go, kudos to your fiance. If not, you should be able to take it

planning needs.

so best to know it up-front.

6. Pick your potential wedding dates and season

5. Choose your planning

command center

### 4. Schedule an engagement photo shoot Getting some pro photos taken is the perfect way to celebrate your new relationship status. Choose a location that's meaningful to you and your partner, or simply opt for a spot with a beautiful backdrop. Bonus: it's also a great way to try out a photographer you may want to hire for the wedding. 5. Choose your planning command center It's time to get organized! If you need everything in one (digital) place, let our All-in-One Wedding Planner app guide you through each phase of your planning journey. Or, if you prefer good, old-fashioned pen and paper, try our newly revamped wedding planner and organizer, complete with worksheets, checklists, inspiration, and calendars for all your
