MAKE YOUR "SOMETHING BLUE" AN OCEAN VIEW

Beaches® Resorts have been the backdrop of your favorite family memories for decades—so what happens when you host your destination wedding at Beaches? Whether you've been daydreaming about an elegant ceremony overlooking tranquil waters or exchanging vows barefoot in the sand, this all-inclusive resorts' dedicated wedding experts are ready to bring your vision to life.

Beaches Resorts offers destination weddings in Jamaica and Turks & Caicos—two of the most stunning islands in the world. And while it's a celebration for the newlyweds, it's the vacation of a lifetime for your guests. At Beaches, everyone gets to vacation their own way. For some, that may mean sailing across the waves or diving below them. For others, it's relaxing at the water's edge while the kids are off having an adventure.

Between wedding festivities, your tiniest guests are invited to attend Kids Camp while the adults take some "grown-up time" and leave the little ones with an on-site certified nanny. Plus, every Beaches Resort is home to a water park with a meandering lazy river, exhilarating waterslides and swim-up soda bars.

For the newlyweds, the honeymoon begins the moment you exchange vows. Beaches Resorts take honeymoon dreams to a spectacular reality with endless stretches of pristine white sand lined by the calmest, bluest waters, so you can start your forever in paradise.
