Dear Gloria,

Congratulations! It is my great pleasure to inform you that Texas State University has named you one of the Distinguished Alumni for 2020. Although competition for this award is fierce, your contribution to journalism for the last 40 years deserved recognition!

On January 5th, Texas State University invites you to be a guest of honor at our annual awards banquet at 7 p.m. in the San Marcos Convention Center. We will gather for cocktails at Patio Dolcetto at 6 p.m. You may bring up to two guests. Please contact me if you need accommodations for more guests.

At the banquet, President of Texas State Denise Trauth will present the Distinguished Alumni plaque to you. You will then have two to three minutes to give a speech to the audience.

I hope you know that it is an honor for me to write this letter. You helped pave the way for Hispanic journalists everywhere. You should be proud of your accomplishments. Feel free to reach out with any questions you may have.

Sincerely,

Maria Gomez

Maria Gomez
