

MAISON HAVEN

LUXE ORGANIZERS

August Maison Mail

Hi friends,

How are you? Hanging in there? As we all try and navigate the summer season (Quarantines! CDC guidelines! Masks!), allow us to bring some calm to your chaos. As always, our mission is to arm you with the tips, tools and tricks you need to transform the way you live - yep, even during the Year of Covid-19. Like you, we're putting one foot in front of the other: running a business, hoping (/praying) schools will reopen next month, and remaining ever grateful for our health, friends, family (and a bottomless supply of gin 🍷).

Wherever you are, we wish you a happy, healthy summer.

Stay safe.
