IDN TIMES KOREA

Objective:

To create an article related to current trends in Korean drama and K-pop.

Result:

The article was successfully published on IDN Times and received high readership and engagement.

What I Did:

I began by conducting thorough research to ensure the article was informative and engaging. I explored trending topics and verified information using credible sources such as The Korea Herald, Korea JoongAng Daily, Soompi, and The Korea Times. With a storytelling approach, I crafted the article creatively while maintaining accuracy and relevance to current events in Korea.

IDN TIMES TRAVEL

Objective:

To introduce Korean travel destinations especially hidden gems in Korea to Indonesian readers who are interested in Korea through K-drama and K-pop.

Result:

The article, featuring both popular and lesser-known tourist spots in Korea that appeal to young travelers, was published on IDN Times and received a high number of views.

What I Did:

I conducted research on recommended destinations and transportation access in Korea, using Korean-language sources. I also curated visually appealing, Instagrammable photos from Instagram with permission from Korean local and included travel tips to help Indonesian readers explore Korea more easily.

IDN TIMES FOOD

Objective:

In Indonesia, Korean food is just as loved as K-drama and K-pop. Recognizing this trend, I wanted to create food-related content that resonates with readers who are curious about Korean cuisine.

Result:

I wrote articles highlighting unique and popular Korean dishes in Indonesia. Some pieces also featured easy recipes and inspiring menu ideas, which attracted many readers and sparked engagement.

What I Did:

I conducted research on both Korean and Indonesian food culture, exploring trending dishes and flavors. Using my creative writing skills, I crafted informative and appealing content that combines culinary facts with a storytelling touch.

IDN TIMES LIFE

Objective:

Lifestyle is one of the topics that truly interests me, especially current trends that reflect how people live and adapt. I aimed to create informative content that brings value and insight to readers.

Result:

I wrote several lifestyle articles that offer positive perspectives and practical ideas, aiming to inspire readers and have a lasting impact on their daily lives.

What I Did:

I researched current lifestyle trends in Indonesia and explored potential solutions or meaningful takeaways from those trends. I presented the information in a way that encourages readers to reflect on their choices and imagine a better direction for their own future.
