

Bro del 20w is a musician, photographer, sculptor and video creator. His portraits and bodies have found the praise and inspired many artists.

Our bodies may be whole but our minds, our psyche, our very being is compiled from various pieces.

The artist creates a collage like effect with his pieces to create something abstract and intriguing. I was drawn to this modern nature of his portraits because even though his faces are somewhat distorted, it demonstrates

20w's portraits attempt to demonstrate the chaotic mind, demonstrated through his modern approach.

VERONIQUE

which would lose of execution

Bro del 20w uses accuracy from the various pieces he photographs, to construct portraits from the attention of his pieces. I was drawn to 20w's work for this reason as it demonstrates a fresh nature to portraits.

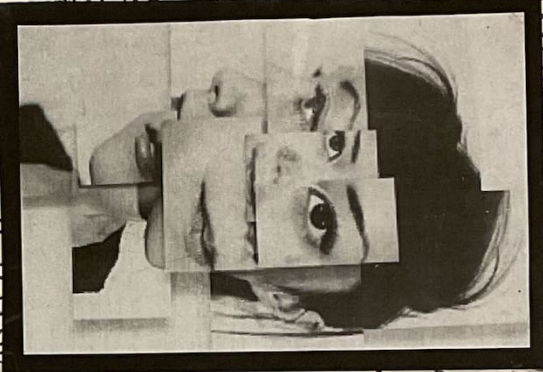

Though his pieces are cut up a lot of the focus remains to be still shown.

Bro del Zou is a musician, photographer, sculptor and video creator. His portraits and bodies have found the planet and inspired many artists.

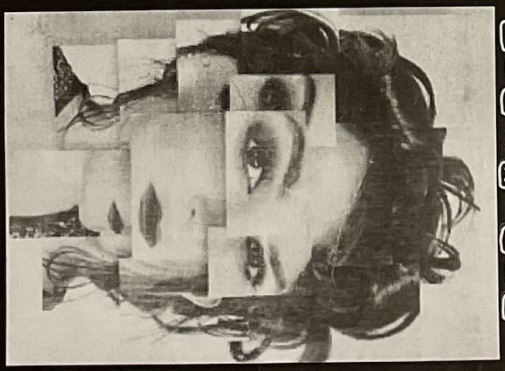

Our bodies may be whole but our minds, our psyche, our very being is compiled from various pieces.

VERONIQUE

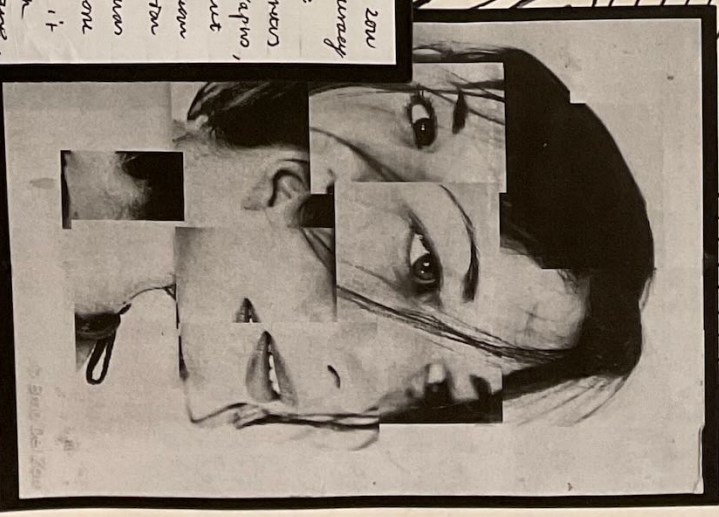

Zou's process (perhaps demonstrate the chaotic mind) doesn't start through his medium directly.

Bro del Zou uses accuracy from the various pieces he photographs, to construct portraits from the abstract.

of his process. I was drawn to Zou's work for this reason as it demonstrates a basic nature to the structure.

Though his pieces are put up a little at the front of the studio, it is still the studio.

The artist creates a collage like effect when his pieces to create something abstract and intriguing. I was drawn to this portrait because even though the woman is somewhat abstract, it demonstrates
