Content Writing

Getting In Student Writing Service

- Regular Zoom meetings with students and parents to collate any information that will help the student stand out from the crowd.
- Crafting extensive, eye-catching personal statements from scratch.
- Reviewing and redrafting statements with students to tight deadlines.
- Engaging with the student at a deeper level to pinpoint their special qualities and help them discover what it really was they wanted to do with their lives.

Amazing Media Ltd Pop Culture Online Content

- Writing 4-8 articles each week of at least 1400 words.
- Strict adherence to TOV consistency for viewership of 55M+
- Writing articles on breaking news in real time as information is released.
- Consistent review of submitted work.

Skills

- Excellent spoken and written English.
- Extensive experience writing in many models and capable of quickly adopting any style or approach.
- Excellent communicator, experienced in collaborating with others to realise shared goals.
- A thorough and independently motivated researcher.
- A diligent, thorough and constructive editor of my own and others' work.
- The ability to present clear ideas and concepts concisely and with an exacting eye for detail.
- The ability to consistently meet multiple deadlines.
- Extremely creative, with an abiding love for new ideas and unexplored terrains.
- The passion to facilitate the success of clients.
- A knack for finding the story.
