### Introducing Myself

Hello! I would like to introduce myself to you. My name is Larissa Borges Lima, I'm 19 years old. I am a student of Universidade de Brasília. I live in Brasilia, more specifically in Asa Norte. I was born in Minas Gerais, more specifically in Belo Horizonte, but I left there really when I was still a baby, so I don't remember anything from there. I live with my 3 brothers and my mother. Our duplex is huge, so we live in a very comfortable way. We have 2 cats, 2 dogs and a bunch of little rats that my oldest brother adopted. I don't have a job, but I don't really want one because the university keeps me busy enough. I speak English and Spanish, but I'm learning French right now, and It's a little bit hard at the beginning but I believe that if I continue to practice I will achieve great results. I like to listen to music a lot, 100% of my day is me locked in my bedroom doing my silly little tasks while I listen to some good music. I tend to play games as well, but my notebook is not good enough for the games that I want to play, so I just play from time to time. And that 's all!
