LITERARY STUDIES

The MA - Literary Studies (LIT) program investigates historical and contemporary areas of British, American, Canadian and English-language postcolonial literatures, alongside the theories relevant to their study.

EXPERIMENTAL DIGITAL MEDIA

The MA - Experimental Digital Media (XDM) is anchored in our satellite facility the Critical Media Lab and features teaching and project direction by a core of influential digital scholars and artists.

RHETORIC & COMMUNICATION DESIGN

The MA - Rhetoric and Communication Design (RCD) program is led by internationally renowned faculty with expertise in rhetoric, multimedia design and critique, discourse analysis, and professional communication.

OF ARTS

CAREERS

Graduates from our programs have gone on to have successful careers as:

- > Director of Marketing and Communications
- > User Experience Designer
- > Professor
- > Freelance Writer and Editor
- > Policy Analyst

CO-OP ADVANTAGE

All of our Masters programs have a co-op option, which means you will graduate with real-world experience.

ADMISSION REQUIREMENTS

- > Successful completion of an Honours Bachelor's degree, or equivalent, with a minimum average of 78% in English courses and 75% overall
- > 3 references
- > Statement of interest

Those with Honours degrees not in English can apply to the program but may be required to take undergraduate courses in English to prepare for graduate-level study.
