Let's get to know Australia

1. It's a multi-cultural country, so **be sure to appreciate each other!**
2. **Comply with the regulations!**
Especially traffic rules, the fines are pretty costly!
3. On that note, **it's probably better to stick with public transportation!**
4. Take care of the environment. **Be mindful of the animals!**
Yup! That means Don't kill the spider.
