

Tess Coward

January 1st, 2023.

New Year's resolutions are out. New Year's dissolutions are in. The following is a list of 30 things I will NOT do this year.

1. Pay covers at strip clubs. That's for boys.
2. Uber within a mile of my house. (it's just a late night hot girl walk!)
3. Hoard trash (I've never done that and I'm not going to start this year).
4. Go several days without drinking water, living solely off of Diet Cokes.
5. Forget to text mom back.
6. Forget my credit card at the bar. (Preferably just never have to use it, that's what men are for!)
7. BeFake
8. Let my bedside table become a combination pharmacy and dumpster.
9. Outwardly support the *Friends* franchise. (embarrassing).
10. Update that sticker on my license plate, my way of sticking it to the man (and saving \$60).
11. Black out on Saint Patrick's Day. (ignore)
12. Try to bribe the bouncer of any club (scrapping desperation in general this year).
13. Let my cat's water bowl get that gross layer of hair along the brim.
14. Throw up multiple times at the sight of the layer of hair along my cat's water bowl brim.
15. Use being slightly wine drunk as an excuse to send any text I want. (Just say it sober and own it!)

16. Buy a \$50 Ban.do planner just for the stickers and forget about it after a week.
17. Eat Trader Joe's Chicken Tikka Masala for 10 days straight.
18. Sin!
19. Mock peoples religious beliefs.
20. Break wine glasses. That also applies to glasses at bars and restaurants.
21. Sell things on Depop. I'd rather have them rotting in my closet than spend \$7 on someone else's shipping.
22. Consider male emotions. (Need I elaborate?)
23. Drink non-frozen margaritas.
24. Keep clothes that don't fit. Unless I like them<3
25. Date a man!
26. Date a woman! Not giving anyone a shot this year, try again in 2024!
27. Cook for myself. I've also never done this and again, not starting this year.
28. Sit out Karaoke. These moves need their spotlight.
29. Spend hundreds on Taylor Swift merch. Just like two hundred would be okay.
30. Cry on my Birthday.

Happy 2023!
